Challenges

- Additional staffing needed to pursue other funding opportunities and to meet mandates;
- Increase in number of staff requires more funding for operations and office space;
- The Registrar's Office tasked with entering 483 Corporations into EnerGov by September 27, 2022 for Business License renewal and upload 3,000 active corporate files, while receiving and processing new applications and filings in-person and via telephone;
- Unfunded Workers' Compensation coverage for Government Employees for work-place injury or death in the event of a catastrophic situation;
- Additional enactment to the Banking Code, Regulations for Credit Union, and other current regulations;
- Finding funding sources to produce consistent and timely statistical reports;
- Need for a Hearing Officer to conduct hearing for the disposal of ABTC cases;
- Auditing of the books and records at ABTC licensed business establishments;
- Cracking down direct source(s) of AAFES products being resold at licensed establishments; and
- Enforcement of Underage Drinking Laws – Minors Consuming Liquor (MCL)
 - Jurisdictional matters
 - Processing of arrestees for underage drinking
 - Lack of data analysis and communication on MCL cases between law enforcement agencies (DPS, DYS, DOC, ABTC)
