

Guam Contractors Association

Building Guam Today for a Better Tomorrow

About the Guam Contractors Association

- GCA was incorporated on November 5, 1959. This year we celebrated our 50th Anniversary.
- Current membership is at 495 companies.
- Our contractor member companies represent about two thirds of total construction volume in Guam

GCA Mission Statement

To represent the contracting industry in any and all matters of common interest, and to promote the integrity and prestige of the contracting industry in Guam and the region by:

Mission Statement (continued)

1. Fostering trade skills in the local workforce
2. Improving industrial safety in the workplace through training and interaction with regulatory agencies.
3. Gathering and disseminating information of common interest to the membership.

Mission Statement (continued)

4. Analyzing pending legislation affecting the contracting industry and lobbying for changes that would better the position of the membership.
5. Interacting with government and military contracting agencies in improving contract relationships.

Mission Statement (continued)

6. Promoting the highest standard of business ethics within the membership by providing a forum for professional interaction between members.
7. To maintain a close and cooperative relationship between the GCA and other professional organizations.
